Management Accounts for the 3 month period ended 30 September 2024

## Directors' Responsibilities and Approval

---

The directors are required by the South African Companies Act to maintain adequate accounting records and are responsible for the content and integrity of the management Accounts and related financial information included in this report. These management Accounts have been prepared in accordance with the IFRS for SMEs® Accounting Standard as issued by the International Accounting Standards Board (IASB®) and it is their responsibility to ensure that the management Accounts satisfy the financial reporting standards as to form and content and present fairly the statement of financial position, results of operations and business of the company, and explain the transactions and financial position of the business of the company at the end of the 3 month period. The management Accounts are based upon appropriate accounting policies consistently applied throughout the company and supported by reasonable and prudent judgements and estimates.

The directors acknowledge that they are ultimately responsible for the system of internal financial control established by the company and place considerable importance on maintaining a strong control environment. To enable the directors to meet these responsibilities, the board sets standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the company and all employees are required to maintain the highest ethical standards in ensuring the company's business is conducted in a manner that in all reasonable circumstances is above reproach.

The focus of risk management in the company is on identifying, assessing, managing and monitoring all known forms of risk across the company. While operating risk cannot be fully eliminated, the company endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The directors are of the opinion, based on the information and explanations given by management that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the management Accounts. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss. The going-concern basis has been adopted in preparing the management Accounts. Based on forecasts and available cash resources the directors have no reason to believe that the company will not be a going concern in the foreseeable future. The management Accounts support the viability of the company.

The management Accounts as set out on pages 3 to 7 were approved by the board on 22 October 2024 and were signed on their behalf by:

## Notes to the Management Accounts

Figures in £

### 1. Property, plant and equipment

|                        | Cost          | Accumulated depreciation | 30 September 2024 Carrying value |
|------------------------|---------------|--------------------------|----------------------------------|
| <i>Owned assets</i>    |               |                          |                                  |
| Furniture and fittings | 10,759        | (27)                     | 10,732                           |
| Office equipment       | 2,628         | (956)                    | 1,672                            |
| IT equipment           | 11,449        | (431)                    | 11,018                           |
|                        | <u>24,836</u> | <u>(1,414)</u>           | <u>23,422</u>                    |

The carrying amounts of property, plant and equipment can be reconciled as follows:

|                        | Carrying value at beginning of quarter | Additions     | Disposals | Depreciation | 30 September 2024 Carrying value at end of quarter |
|------------------------|----------------------------------------|---------------|-----------|--------------|----------------------------------------------------|
| <i>Owned assets</i>    |                                        |               |           |              |                                                    |
| Furniture and fittings | -                                      | 10,759        | -         | (27)         | 10,732                                             |
| Office equipment       | 2,198                                  | -             | -         | (526)        | 1,672                                              |
| IT equipment           | -                                      | 11,449        | -         | (431)        | 11,018                                             |
|                        | <u>2,198</u>                           | <u>22,208</u> | <u>-</u>  | <u>(984)</u> | <u>23,422</u>                                      |

### 2. Cash and cash equivalents

#### Favourable cash balances

|                       |                |
|-----------------------|----------------|
| FNB Bank Account      | 17,189         |
| Standard Bank Account | <u>231,497</u> |
|                       | <u>248,686</u> |

### 3. Revenue

An analysis of revenue is as follows:

|                               |               |
|-------------------------------|---------------|
| Software development services | 18,597        |
| Other Income                  | <u>8,421</u>  |
|                               | <u>27,018</u> |

### 4. Cost of Sales

|                                       |                  |
|---------------------------------------|------------------|
| Cost of sales - Consulting fees       | 111,759          |
| Cost of sales - Software/Web services | <u>(102,378)</u> |
|                                       | <u>9,381</u>     |
